INTRODUCTION

Welcome to the Reach Crest learner's edition. This book lays a foundation on mathematics for Year One to Four pupils. It has been specifically designed to present schoolers with maths addition, subtraction, and practice assessments relating to time. For the benefit of children, we have also included fun activities. These would boost your child's willingness to learn and proves to give them a pleasing education.

This book contains:

- ♣ Reading time and telling the time with the inclusion of roman numerals.
- ♣ Calculations with time - addition, subtraction and multiplication.
- ♣ Solving problems intuitively - the part where you'll need to do more thinking.
- ♣ Three progress tests - it's always best to know how well you've understood everything.
- ♣ FUN 'n' GAMES - for you to discover.
- ♣ Answers - for parents to use.

This book can be used to:

- ♣ Identify your child's strengths and weaknesses depending on which section they struggle with.
- ♣ Recognize your child's individual needs.

If you wish to do more practice and access the revision card visit our website: www.reachcrestlearning.com.

SECTION 20

Solve these problem

- 1) How many minutes in 3hour 23 minutes? _____
- 2) $90 \text{ min} + 80 \text{ min}$? _____ h _____ min.
- 3) Change 42h into min? _____
- 4) How many minutes from 8:25 a.m. to 10:30 a.m.? _____
- 5) Write in figures, using a.m. or p.m. , twenty minutes to twenty? _____
- 6) I start studying at 4:00 o'clock and study for one and a half hour. What time I do finish my study? _____
- 7) A maths lesson starts at 9.30 and last for 1hour and 15 minutes. What time does it end? _____
- 8) I pick up my bus at 4:15 o' clock. My journey duration is 30 min., what time will arrive? _____
- 9) How long is it from 8:15 o'clock to 11 o'clock? _____
- 10) Mom put a cake in the oven at 10.55. It was ready at 11.20. How long did it take to cook? _____
- 11) Convert 2800 minutes from how many days, hours, and minutes? _____ d, _____ h, _____ min.
- 12) Convert in minutes for 2days, 3hours and 24 min? _____
- 13) $55\text{min} + 25 \text{ min} =$ _____ h, _____ min.
- 14) Write in figures using a.m. or p.m. seven to seven in the morning? _____
- 15) The clock shows 15 minutes past 6 o'clock. How do you write it? _____
- 16) How many hours in one day? _____
- 17) How many seconds in one hour? _____
- 18) Convert 5h and 45 minutes into seconds? _____
- 19) How many days are in a year? _____
- 20) How many days are in leap year? _____
